EDUCATION

Fordham University, NY, USA

Doctor of Philosophy, *Computer Science*, 2024 - Present

- Dissertation Advisor: Clavius Distinguished Professor, Dr. D. Frank Hsu
- Relevant Coursework: Artificial Intelligence, Cybersecurity Law, Advanced Computer Algorithm, Advanced Distributed System, Applied Cryptography

Fordham University, NY, USA

Master of Science, *Data Science*, 2022 - 2024

- GSAS Centennial Scholarship recipient
- Relevant Coursework: Natural Language Processing, Machine Learning, Data Mining, Computer Forensics, Big Data Computing

Stony Brook University, NY, USA

Bachelor of Science, *Applied Mathematics & Statistics and Economics*, 2018 - 2022

- Dean's List: Spring 2020, Fall 2020, Spring 2021, Fall 2021
- Relevant Coursework: Probability and Statistics, Probability Theory, Data Analysis, Operations Research: Stochastic Model, Applied Linear Algebra, Quantitative Finance, Foundations of Analysis, Data Mining, Mathematical Statistics

Correlation One

Data Science for All, 2021 - 2022

- Selected to participate in a 14-week data science Honors Fellowship (<1.4% acceptance rate, 3000+ applicants) with learning facilitated through real-world data science cases

Mannes School of Music, NY, USA

Pre-College Program, *Piano*, 2016 - 2018

- Advised by Irina Edelman

SERVICES AND ACTIVITIES

Major roles

- IEEE @ Fordham Interim Chair-Designate

Conference Program Committee role

- IEEE International Conference on Tools with Artificial Intelligence (ICTAI): 2025, 2026

Events organizer role

- Symposium on Responsible AI (sponsored by Fordham, IBM, NYU, and the AI Alliance; Fall 2025)
- Fordham-IBM workshop: on Generative AI (Fall 2023)
- Clavius Distinguished Lecture Series: Fall 2023, Spring 2024, Spring 2025, Fall 2025

WORK EXPERIENCE

Fordham University Department of Computer and Information Science

Graduate Assistant

Aug. 2023 - Present

- Work with the GSAS to initiate the process of establishing IEEE Student Branch at Fordham.
- Help to organize various events such as Fordham-IBM Workshop and Clavius Distinguished Lectures.
- Commit approximately 10 hours per week to support the courses: CISC 4090 Theory of Computation and CISC 3595/5595 Operating Systems.
- Guide class discussions, develop course material, prepare examinations, and hold tutor sessions.
- Attend every class to provide necessary assistance to the professor.
- Mentor 30 students per class and assist in professional development.

Data Science for All

Data Science Fellow

Oct. 2021 - Apr. 2022

- Collaborated with a group of five to answer the question of how to make outdoor activities like walking and cycling safer for pedestrians by using EPA walkability data over the course of the program
- Created a detailed 14-week project plan with biweekly meetings to assign deliverables and ensure timeline remained on track, received mentorship and guidance from two industry data scientists

Stony Brook Social Competence and Treatment Lab

Data Management Team Lead Research Assistant

Aug. 2020 - May 2023

- Score measures, import scores, write, and edit syntax and data dictionaries using R.
- Design and organize aspects of REDCap data collection process, ensure data quality and problem-solving.
- Give formal group presentations on topics relevant to Autism Spectrum Disorder study for the lab members.

Musipire Music School and Academy

Piano Instructor

Apr. 2019 - Present

- Prepare and plan a total of 11 classes that focus on performance, music theory, and aural practice
- Grade students' progress by written evaluation based on their work and participation
- Teach music history and background and guide students through practical exercises.

Stony Brook University

Teaching Assistant

Feb. 2021 - May 2021, Jan. 2022

- Assisting students with coursework for ECO 108: Introduction to Economics, and AMS 210: Applied Linear Algebra
- Holding weekly office hours for a total of 400+ students enrolled in the courses to ask questions on assignments or contents taught during lectures
- Grading homework assignments and exams, regularly performing basic data entry tasks on students' assignments grades
- Providing courses feedback regarding class assignments, course progress, and suggestions for change for the professors

Stony Brook University Vertically Integrated Projects

Student Researcher

Feb. 2021 - Jan. 2022

- Project: Insight on Critical Issues in Our Society through Data Science
- Analyze aspects of the ongoing pandemics to provide insight and strategies for control and treatment
- Assess how COVID-19 pandemic affect our nation's economic welfare through federal reserve economic data

BroadStreet Health, LLC

Data Quality Assurance Intern

Apr. 2020 - Sep. 2020

- Collected and assessed trends for daily U.S. COVID-19 cases for 150+ counties across the west coast for data visualization
- Conducted quality assurance checks and verified data accuracy on daily COVID-19 numbers
- Built a data visualization incorporating over 3,000 rows of case count information, allowing public interest groups to make crucial decisions based on various projections

CERTIFICATIONS AND AWARDS

- **AI Experiential Learning Lab: Industry Immersion**, issued by *IBM SkillsBuild* Dec. 2025
- **Code Generation and Optimization Using IBM Granite**, issued by *IBM SkillsBuild* Oct. 2025
- **Enterprise Design Thinking Practitioner**, issued by *IBM SkillsBuild* Dec. 2025

- **AI Experiential Learning Lab: Industry Immersion**, issued by *IBM SkillsBuild* Dec. 2025
- **DS4A / Empowerment 3.0 Certificate Honors**, issued by *Correlation One* Apr. 2022
- **AT&T Summer Learning Academy Extern**, issued by *AT&T* Jul. 2020
- **1st Place Winner, American Protégé International Music Talent Competition**, issued by *American Protégé* Dec. 2015
- **Grade 8 Piano**, issued by *Associated Board of the Royal Schools of Music* Jun. 2013
- **Certificate of Arts Grade Examination of China Music Theory**, issued by *Shanghai Conservatory of Music International Examination Board* June 2013
- **Certificate of Arts Grade Examination of China Piano Grade 10**, issued by *Shanghai Conservatory of Music International Examination Board* Oct. 2012
- **Grade 5 Music Theory**, issued by *Associated Board of the Royal Schools of Music* Jun. 2012
